"DON'T" LIST

Instructions for the band or DJ about what songs *not* to play. "We love the 'don't' list," says Harris Lane, president of Hank Lane Music in N.Y.C.

"We do pay attention to what the crowd is responding to, but at the same time we can't read minds."

D

The "I do" industry has its own secret language.

Learn these terms and you'll be talking like a pro
